# Wize Girlz

**Wize Girlz** is a fun after school program for 6th, 7th and 8th grade girls which provides positive activities designed to support and educate. Through **year-round programming**, staff provide varied group activities which engage young women in learning, recreational and skill building experiences.

**Activities include** crafts, games, volunteer projects, science experiments, fun with fitness, and speakers from the community.

**New this year** is a partnership with Grout Museum for monthly STEAM (Science, Technology, Engineering, Art, and Math) activities! A snack is provided each day.

**Please note** - Participants will be transported from school to the YWCA on a designated school bus right after school! Participants must be picked up at the YWCA by their parent/guardian by 4:30 pm. This pickup time will be strictly adhered to.

***Wize Girlz** is free for Spring 2021 and girls can join at any time during the school year!*
